## ACKNOWLEDGEMENTS

We would like to express our deep gratitude to Lena Petrović, a retired professor from the English Department of the Faculty of Philosophy in Niš, who had taught English Renaissance Literature course for more than three decades. Prof. Petrović's vision of this course has made a powerful impact on the authors of this book, who were both her students and co-workers. We are thus highly indebted to prof. Petrović's valuable theoretical insights and practical solutions related to English Renaissance Literature exam form and essay questions.
